  - On March 9, 2020, site selection support planning continues, providing information on housing (hotel)/ available hospitals with negative air pressure requirements. Analysis of CDSS/mass care support for asymptomatic persons.
  - Review of COAs and constraints affecting ability to contract commercial lodging for symptomatic persons affected arriving from Princess Cruise lines.

#### Schools Task Force

- The Schools Task Force conducted a conference call on March 3, 2020 and will continue to meet virtually on Tuesdays and Thursdays at 1330 hours. Common issues raised include:
  - Colleges/Universities are working through licensing issues and unplanned expenses/fees when expanding online learning.
  - There are questions regarding relaxing or waiving 508 accessibility standards for web sites. Meeting these standards may slow the progress with transition to online courses.
  - Difficulty in procuring sanitizers and wipes.
  - Hospitals are excluding nursing students from clinical rotations, which can interfere with students' ability to meet Board of Registered Nursing requirements for on-site clinical experience. Colleges will contact Board of Registered Nursing for possible flexibility to allow more simulated hours. California colleges supply approximately three quarters of the nurses in the state.
  - Currently colleges are not closing residential halls since campuses are still open for labs and support services.
  - Colleges are taking a huge financial hit with cancelling travel and academic programs along with arena or event center cancellations.

#### California Department of Education (CDE)

- On March 12, 2020, CDE participated in the first Schools Task Force call at 1330 hours.
- CDE's COVID-19 information and resources is online at <https://www.cde.ca.gov/ls/he/hn/coronavirus.asp>
- On March 10, 2020, CDE issued News Release #20-10, "California Department of Education Receives Special Federal Approval That Enables Districts to Feed Students During Coronavirus-Related Closure" to amplify messaging around the USDA's waiver allowing non-congregate feeding in the event of school closure. The release is located at <https://www.cde.ca.gov/nr/ne/yr20/yr20rel10.asp>.

### CA Community Colleges Chancellor's Office (CCCCO)

- Very few colleges have completely closed. The most common approach is transitioning classes to online while keeping campuses open for labs, support services, etc. and setting a target date for offering "most" classes online rather than in person. Some Colleges are going to a short "suspension" of classes for a couple of days or a week during this transition. A popular target date for colleges to complete the transition to broader online access is March 18, 2020. Colleges are leveraging spring break to make this transition.
- Some campuses have taken the following measures: declaring an emergency, transitioning in-person classes to online classes, providing online student services, temporarily suspending classes.
- Three students at Santa Rosa Junior College who are on study abroad program in Italy report difficulty leaving the country.

- The Educational Services and Support Division has developed a process for expedited approval for colleges to convert in-person courses to online courses. Seven colleges have applied for this approval.
- CCCCO has stood up a COVID-19 web page: <https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Communications-and-Marketing/Novel-Coronavirus>

### University of California System

- UC has established a website that compiles public info at <https://ucnet.universityofcalifornia.edu/news/2020/01/ucs-response-to-coronavirus.html>
- UC campuses have moved to remote instruction, when feasible, for classes beginning March 11, 2020.
- Large campus-sponsored gatherings have been cancelled.
- Campuses remain open for research operations and essential services.

### California State University System

- Established a website at <https://www2.calstate.edu/coronavirus/>
- Campus continuity plans are focused on transitioning instruction to alternative modalities, while other campus operations including housing and dining are going to continue. This is subject to change. Campuses have indicated they are also assessing how they can deliver other student services (academic advising, tutoring, financial aid counseling, etc.) virtually.

### Office of Private Sector / Non-Governmental Organization Coordination (PS/NGO)

- PS/NGO, in coordination with CHHS, CDT, and Go-Biz is compiling a list of private sector entities that are supporting the state in their response and preparedness efforts for COVID-19.
- PS/NGO is supporting Go-Biz with holding a call with business leaders across the state to discuss current issues, best practices, and EDD guidelines for employers. This call will be a weekly call held every Tuesday at 1100 hours.
- PS/NGO, in coordination with the Governor's Office (GO), is working with Philanthropy CA to advise and direct philanthropy dollars in California to support local communities. PS/NGO is also supporting the GO in developing new recommendations for the CA League of Community Foundations on how to respond to this type of disaster.
